A LETTER FROM OUR PRESIDENT

Surely you remember that exhilarating feeling; the wind blowing through your hair as you swing higher and higher with your toes pointed up to the sky. There's just nothing quite like a swing set!

This is a great way to jump start your child into being the next generation of innovators and world leaders with the imaginative play and creativity that only a Swing Kingdom swing set can offer.

We're excited to present our latest collection of innovative swing sets from the most simple to more elaborate designs all created to offer every child plenty of active fun. Every set is crafted with the finest materials to ensure safety and durability.

Page through this beautiful catalog and discover dozens of ways to surprise your children with the joy and excitement only a swing set can bring.

Sincerely,

Amos S. Glick

President

ABOUT US

For loads of fun and family time, count on Swing Kingdom. As a family operated manufacturer of premier vinyl swing sets, we strive to design and build fine quality, affordable swing sets perfect for children of all ages.

From the 500 square foot building where we started our business in 2000, to our new 43,000 square foot facility, Swing Kingdom has expanded to meet the growing demand for high quality, virtually maintenance free swing sets.

We were the first manufacturer to combine PVC and structural wood, along with stainless steel corner brackets and hardware for superior strength. Today, we continue to use only the finest quality materials to ensure safe, durable playsets built to offer years of enjoyment.

Our playsets are loaded with activities that will spark every child's imagination and encourage daily physical activity and never ending fun!

STRONG, SAFE, DURABLE

Our premium, vinyl playsets are five times stronger than traditional, wooden play sets. With accessories that range from infant swings to clubhouses, Swing Kingdom designs playsets that grow with your family. Therefore, each playset is manufactured with an eye towards durability, and each set includes a 20 year warranty to stand behind our product.

Swing Kingdom's swing sets are engineered from a safety first perspective. Our slip resistant, vinyl clad construction materials are always splinter free, and no wood means no harsh, annual chemical treatments. Stainless steel hardware and corner brackets bring added stability, while optional bars and rails allow for age appropriate customization.

Our network of authorized dealers have been individually selected to deliver upon Swing Kingdom's high standard of honest, and straight-forward customer service. Our authorized dealer representatives will work with your family to design a playset that meets your individualized needs. Then, your playset will be assembled, on site, by a trained Swing Kingdom installation team.

Childhood is a time for lively imaginations and spirited adventures. It is also the time to build a strong foundation for active and healthy lifestyles. Swing Kingdom's swing sets combine the fun of childhood with the fulfillment of physical and developmental needs, to deliver upon learning through play. The healthy habits that are fostered by enjoyable exercise may be the one thing more durable than our playsets.

Kastle Tower Series

Why Vinyl? Because It's Final!

Swing Kingdom's vinyl and decking products are the best and most uniform material available in the industry. Our vinyl is co-extruded under extreme pressure to assure a durable and beautiful finish for years to come.

The wooden structural elements of your home are covered to preserve them, and to reduce maintenance. The same philosophy is used for Swing Kingdom's vinyl play systems.

Our products contain an extremely effective UV inhibitor that offers more than enough protection from the sun's ultraviolet rays.

If your swing set does become dirty, you can easily revitalize its appearance with a simple garden hose, some glass cleaner and a soft bristled brush to wash dirt and debris away.

Our vinyl has five times the tensile strength and four times the flexibility of wood. By combining the performance of vinyl with the sturdy characteristic of Wolmanized Natural Select outdoor-wood, we create a swing set that is built to last.

FREQUENTLY ASKED QUESTIONS

Q: Why vinyl?

A: Swing Kingdom's vinyl products are the best and most uniform material available in the industry. Our vinyl is co-extruded under extreme pressure to assure a durable and beautiful finish for years to come.

Q: How strong is Swing Kingdom vinyl?

A: Our vinyl has five times the tensile strength and four times the flexibility of wood. By combining the performance of vinyl with the sturdy characteristic of wolmanized natural select outdoor wood, we create a swing-set that is built to last.

Q: Will Swing Kingdom's vinyl turn yellow?

A: No. Our products contain an extremely effective UV inhibitor that offers more than enough protection from the sun's UV rays.

Q: Are Swing Kingdom's swing sets easy to maintain:

A: Yes, very easy. If your swing set becomes dirty, you can easily revitalize its appearance with a simple garden hose, some glass cleaner and a soft bristle brush to wash dirt and debris away.

Q: Does your yard need to be level?

A: We recommend that your site be leveled for the appearance and safety of your system. It is important to have a level area at least three feet larger than your playset all the way around, prepared for delivery.

Q: Why do you cover the wood?

A: The wooden structural elements of your home are covered to preserve them, and to reduce maintenance. The same philosophy is used for Swing Kingdom's vinyl play systems.

LIMITED LIFETIME 20 YEAR & 5 YEAR WARRANTY

Subject to ordinary residential use and proper installation by a certified SK installer. Swing Kingdom warrants to the original purchaser at the original installation address, that the structural components of the playground systems, such as the PVC plastic lumber and wood components are covered by a 20 year warranty. In addition all canopies, slides, metal components, swings and accessories are warranted for 5 years from date of original purchase. Swing Kingdom's products are not warranted as being suitable for a particular purpose. The suitability of the product is for the purchaser to determine. This warranty does not cover normal wear and tear, failure to properly maintain the product, or damage resulting from misuse or abuse of the product, additionally any acts of nature such as lightning, storms, hurricanes, tornadoes, earthquakes or any extreme weather conditions. Also any alteration, addition or relocation of the product will void this warranty.

Swing Kingdom reserves the right to examine photographs and/or physical evidence of the product claimed to be defective, and to recover product prior to any warranty claims. All products returned for inspection must be sent freight prepaid. In the event of a defect covered by these warranties, Swing Kingdom will remedy the defect within a reasonable time. The remedy will consist of repair or replacement of the defective piece unless it is not practical. Then Swing Kingdom will reimburse the original purchaser for the value of the defective piece. (All freight costs of replacement parts are not covered under warranty and will be the purchaser's responsibility to cover.) Adult supervision is required while enjoying your play system. For safety and comfort reasons, Swing Kingdom reserves the right to make design and construction changes without notice.

One ton of rubber
mulch covers
250 square feet
at 3" thick.

Playground Turf

Thank you...

We want to thank you for choosing Swing Kingdom playsets to enhance your backyard and provide your children with the safest playset possible. We're sure you'll appreciate the value and convenience of a non-splintering, low maintenance playset that your children will enjoy for years. Our goal is to provide unmatched safety and comfort in an innovative playset design that encourages active play. Unlike wood, our vinyl playsets will remain smooth to the touch. The innovative SLIP RESISTANT SURFACE is nonsplintering, making it safe to play on day after day. The nontoxic, nonabsorbent vinyl material does not require the maintenance time and harsh chemical treatments that are necessary for wooden playsets. In addition, we use stainless steel hardware for extra strength. We value your business. As a Swing Kingdom customer, you can always expect an excellent product along with the very best service we can provide!

New Swings for 2017

Uni Rider

Crafted from double walled, durable plastic, the Uni Rider will provide your children with hours of joy, swinging high and free! With our fresh design and European styling, there is plenty of room for kids of all ages on the Uni Rider. The solid foot rests and handles and the durable construction mean the Uni Rider is prepared for anything the kids and weather can give it! Your kids will learn the value of giving it their all as they work to propel their rider to new heights. Available in green, yellow, blue and red.

Dual Rider

Your kids will have twice the fun on our sleek Dual Rider. Crafted from double walled, durable plastic, the Dual Rider allows for two kids to experience the joy of swinging high and free! With our fresh design and European styling, there is plenty of room on this two-seater swing. The solid foot rests and handles, and the durable construction mean this Dual Rider is prepared for anything the kids and weather can give it! And your kids will learn what it means to work together to propel their rider to new heights. Available in green, yellow, blue and red.

Combo Swing

Swing Kingdom's beautiful Combo Swing promises hours of opportunity to interact with your child or grandchild while at play. Designed with families in mind, the Combo Swing allows you to relax on an adult swing and face your child while swinging. Since the swing components are interchangeable, you can tailor your child's swinging experience from adult-infant to adult-toddler, or even toddler-toddler! Just mix and match the swing components of your choice and create the perfect Combo for your children. Now you can enjoy hours of talking, singing or playing games with your child, while swinging together. Available in green, blue and red.

New Slides for 2017

5' Turbo Twister

The five-foot turbo slide is designed with the same safety features, care and precision of all of our turbo slides! This molded slide features a durable construction, and the same twists and turns that have delighted kids for years. The advantage of the five-foot turbo is that you now have another option for the turbo slide tower, one that involves a bit less height and is perfect for younger kids. But rest assured, your kids will love the thrill of spinning around and emerging out of the turbo slide into the bright sun shine.

Get In The Splash Zone

Water Cannon

Let the fun begin in the sun this summer with our new water cannon. The cannon design has an easy on and off valve switch for young children to give them hours of water play this hot summer!

BLASTS WATER UP TO 25 FEET!

Water Slide Adapter

Do you want to enhance your slide speed? The new water slide adapter will increase your slide speed and introduce water play to your backyard playset. It will also cool your slides down for immediate use on those hot summer days!

Make a **Splash** in the Neighborhood!
